

## Death Opens Auto Contests at Brighton

### AUTO "CARNIVAL" FEAST OF DEATH

Mechanicman Instantly Killed,  
Driver Dying From Broken  
Back, at Brighton Beach.

### FATALITIES FOLLOW START OF GREAT 24-HOUR RACE

Another Driver Is Seriously  
Burned by Blaze From His  
Gasoline Tank.

BRIGHTON BEACH, Aug. 27.—One  
dead and one dying was the result of  
the twenty-four-hour automobile race tonight,  
soon after it started.

Louis Cole, mechanicman of the Stearns  
car, was instantly killed and Laurence  
Gross, the driver, suffered a broken back  
in the collision of their car with the  
Acme car.

Packard and Maynard, the crew of the  
Acme, were only slightly injured.

Less than ten minutes later, to avoid  
a collision at the same point, Van Tine,  
driving the other Acme entry, escaped  
death by steering his car straight through  
the heavy iron fence. Both he and his  
mechanicman escaped injury and his car  
was damaged only slightly. The machine  
was dragged back to its quarters and  
started again in a few minutes with a  
new wheel.

Clothes Catch Fire.

Driver Hughes of the Allen-Kingston  
was seriously burned by his clothes  
catching fire from a blaze which started  
near his gasoline tank. Another driver  
stopped his car and rolled Hughes in the  
sand while the mechanicman smothered  
the flames.

The contestants who expect to break  
the record of 117 miles got away at  
10 o'clock in the following order:  
No. 1—Renault; Basle and Raffalovich;  
No. 2—Packard; Stuger, Lescaut and  
Howard.

No. 3—Acme; Patchke and Maynard.  
No. 4—Acme; Vanline and Kayouli.  
No. 5—Lester; Heine and Mulford.  
No. 6—Stearns; Gross and Cole.  
No. 7—Haupt; Robertson and Poole.  
No. 8—Allen; Kingston, Hughes and  
Eckel.

No. 9—Flat; De Palma and Parker.  
No. 10—Baltzer; Disbrow and Lund.  
At the end of the first hour, the two  
Acme cars had leaped into the front.  
They were both credited with a total  
of 55 miles for the hour.

The Lester car, upside down on the  
far turn shortly before 1 o'clock,  
but no one was hurt.

Both Acme cars, after extensive repairs,  
were brought back on the track, and the  
Allen-Kingston also reappeared. The  
Flat entry was withdrawn.

Fourth hour scores:  
Haupt, 201 miles; Renault, 187; Packard;  
Stuger, 174; Acme No. 4, 161; Acme No.  
2, 146; Lester, 123; Haupt, 109; Allen-  
Kingston, 76.

Many Foreign Cars.

European and American cars were  
seen on the Brighton Beach  
motorcycle track today in the  
big two-day contest, which held a  
successful meet at the same track four  
weeks ago. The racing began at  
1 o'clock this morning on a six-hour contest  
and a special match, as well as some  
short events being scheduled during the  
day.

The twenty-four hour race will begin at 10  
o'clock tonight and finish at the same time  
tomorrow.

The special match race, in which three  
cars of French, English and American  
make will be driven by, respectively, Mc-  
Cam, Kilpatrick and "Birdie" will be  
started at a few minutes after the finish of  
the six-hour contest, and then the track  
will be cleared for the big twelve-around-the-  
clock event.

The track has been reconstructed dur-  
ing the last three weeks, the turns have  
been more highly banked and widened,  
and should the weather conditions be  
favorable, all the experts are of the  
opinion that a new twenty-four-hour record  
will be established.

In the one-hour motorcycle race there  
were nine starters. Walter Goerks led  
from the start, and was well ahead of  
his field at the end of the hour, his time  
for the distance being 10:38.25.

Goerks and J. F. Constant had a spill  
on the back stretch, but neither was  
hurt and both remounted immediately.  
During the last three minutes of the race,  
Goerks's rear tire burst and he was  
forced to dismount and get a new wheel,  
but he won with a distance of fifty-five  
and a quarter miles.

**SIR THOMAS STILL AFTER  
THE AMERICAN TROPHY**

BOSTON, Aug. 27.—Sir Thomas Lipton  
is still set on winning the America's cup,  
according to an interview had with him  
while abroad recently by John P. Fitzgerald,  
The Republic. Mr. Fitzgerald's paper,  
will publish the interview tomorrow.  
"I am just as anxious and as deter-  
mined to continue my efforts toward win-  
ning the America's cup as I was the day  
the Shamrock II was launched," said  
Sir Thomas. "I was beaten fairly and  
squarely by the finest sportsman in the  
world, but I think that in the interest of  
sport the rules should be modified."

NEW YORK, Aug. 27.—Sandy Fergus-  
on of Boston, made a poor showing in a  
bout with Joe Jeanette, the New York  
negro heavyweight, before the Fairbank  
A. C. tonight. That he was favored by  
the crowd. His seconds threw up the  
sponge in the eighth round, after he had  
been floored by a right chop on the jaw.

Wives Up Within One Mile and  
a Half of French  
Coast.

DOVER, Aug. 27.—Edward Heaton of  
Liverpool, came within a mile and a half  
of swimming the English channel today.  
He gave up the attempt when within that  
distance of the French coast at 11:27  
o'clock this evening.

He entered the water at Dover at 8  
o'clock this morning. The temperature  
of the sea was 64 degrees, which is  
about the best of the season, and the  
tides, which were remarkably deep,  
enabled him to make splendid progress.

John W. Heaton, the Englishman's  
wife, who started from Dover at 4 p. m. yes-  
terday, to cross the channel to France,  
was compelled to give up after having  
covered thirteen miles in eight hours.

**WILLIAMS IS ARRESTED  
PENDING INVESTIGATION**

D. N. Williams, rooming at 145 West  
Second South street, was arrested this  
(Saturday) morning at 2:15 o'clock and  
taken to the police station, where he was  
kept pending an investigation. He was  
charged with robbing the person of J. B.  
Gordon, an attorney from Toledo, while  
the latter was asleep in room 7, of the  
same rooming house.

According to the story of Mrs. M.  
Clegg, who is the proprietor of the house,  
Attorney Gordon came to his room Friday  
night and went to sleep in his room  
with his clothing on. While Gordon was  
lying across the bed she claims to have  
seen Williams steal a pocketbook contain-  
ing \$10 and a railway ticket to Toledo.

Williams admitted to the police that  
he went into the room, but maintains  
that he could not sleep. Williams said  
that he went into the room for the pur-  
pose of turning the attorney over in bed  
to prevent him from snoring. At the  
police station, nothing was found in the  
pockets of Williams, nor had he at-  
tempted to leave the house when told  
that the police were coming.

fire and burglar-proof vaults of the

## FARMER SMASHES AVIATION RECORDS

Proves Great Surprise: Breaks  
All Records for Time and  
Distance.

### USED A BIPLANE OF OWN DESIGN TO DO IT

Makes 111.78 Miles in Three  
Hours, Four Minutes, 66 2-5  
Seconds.

BETHANY AVIATION FIELDS.  
Rhinels, Aug. 27.—Henry Farman, the  
English aviator, a hitherto unknown  
quantity in the aviation contests, in the  
use of his own design, broke the  
world's records for duration of flight and  
distance in a heavier-than-air machine  
today, and won the Grand Prix de la  
Championne—the endurance test—by a re-  
markable flight officially recorded as 189  
kilometers (111.78 miles) in 3 hours, 4 min-  
utes and 66 2-5 seconds.

He actually covered an extra ten kilo-  
meters and remained in the air ten min-  
utes after 7:30 this evening, the hour  
that the timekeepers, under the rules,  
ceased to keep a record of the flight.

**Records of Others.**  
The other contestants finished in the  
order named: Hubert Latham, in mono-  
plane No. 29, 154 kilometers, 500 meters;  
time, 4 hours, 18 minutes, 9-5 seconds.  
Louis Paulhan, in a Voisin biplane, 131  
kilometers; Count de Lambert, biplane,  
130 kilometers; Hubert Latham, in a mono-  
plane No. 13, 111 kilometers; M. Tis-  
sander, biplane, 111 kilometers; Roger  
Sommer, biplane, 60 kilometers; M. de la  
Grange, monoplane, 50 kilometers; M.  
Bleriot, monoplane, 40 kilometers; Glenn  
H. Curtiss, biplane, 30 kilometers; M.  
Lefevre, biplane, 25 kilometers.

Although Hubert Latham, with a dif-  
ferent machine, took second and fifth po-  
sitions, the aviation committee held that  
he was ineligible for two prizes and  
awarded the fifth to M. Tissander and the  
sixth to M. Sommer.

**Farman Proves Surprise.**  
Farman's victory was a complete sur-  
prise. He had been preparing his ma-  
chine secretly and had not appeared upon  
the field until today, except for a few  
flashes of light, and had been almost for-  
gotten. Indeed, after he started, keep-  
ing close to the ground, while Latham  
and the others were making in specula-  
tion, he was not discovered until he had  
done 80 kilometers. Then suddenly, the wa-  
ter's surface broke up to discover that he  
was carrying petrol enough for a five-  
hour flight and equipped with a self-  
closing revolving machine gun.

Latham to descend after he had cov-  
ered 111 kilometers, and Tissander came  
down at 100 kilometers, and Latham the  
same distance. The other aviators had  
ended their efforts earlier, a majority  
of them in the first half of the flight.

**Taking No Chances.**  
Only Farman continued. Round and  
round he went as regular as clock work,  
always hugging the ground, taking no  
chances and avoiding any attempt at dis-  
play. Record after record fell before his  
methodical flight. Dark came, darkness  
fell and the twinkling lights appeared in  
the village on the distant hills. Lanterns  
were hung on the towers marking the  
limits of the course. The judges, how-  
ever, could tell whether the record-  
breaking aeroplanist was flying, and the  
searchlights from the grandstand could  
follow him as he glided along. The com-  
bines raced to strategic points to make  
sure that Farman was still in the air.

At 2:30 o'clock, he was announced as  
being back and landed. Ten min-  
utes more and suddenly out of the dark-  
ness a ghostly thing appeared in front  
of the judges and came to earth on the  
starting line.

**Strain Almost Overcomes.**  
Mr. Farman appeared almost overcome  
by the long strain he had undergone. He  
smiled faintly, as he shook hands with  
those about him, but his face was white  
and his hands cold. He almost fainted  
as he was helped out of his seat. Then  
a score of persons brought him in triumph  
on their shoulders to the presidential  
tribune, where M. Millerand, minister of  
public works, was waiting to receive  
him.

When the roar of the cheering had  
ceased, M. Millerand in the name of the  
French government congratulated Far-  
man.

"I do so," said the minister, "not only  
for the wonderful achievement you have  
accomplished, but as a brave man and  
for the example you have set for others."  
Much sympathy is expressed for Paul-  
han and Latham, both of whom firmly  
believed they would set new records to-  
day. Ill luck continues to pursue the  
pilots of the Wright machines.

## NAVAL CADET BREAKS WORLD'S SHOOT RECORD

Midshipman H. O. Roesch of  
Oregon Defeats 623  
Competitors.

CAMP PERRY, O., Aug. 27.—The na-  
tional rifle matches were concluded to-  
day. In the individual match, another  
world's record was made. A young rifle-  
man from the United States naval acad-  
emy, Midshipman H. O. Roesch of Ore-  
gon, who won the governor's match last  
week, made the remarkable score of 195  
out of a possible 200, at slow fire, on the  
200, 600, 800 and 1000-yard targets, there-  
by winning the \$20 prize for the highest  
slow fire score.

Roesch also won the match, defeating  
623 competitors, with the record score of  
539, with 159 above the score by which  
Lieut. A. B. Rothrock of Ohio took the  
honors last year.

E. C. Griffin of the navy, with a per-  
fect score, captured the \$20 special prize  
for high skillful score.

As far as the dope goes, Carr Neel will  
probably win the right to contest with  
his brother, Sam Neel, who holds the  
championship of the United States in the  
doubles in 1896. Ned Barnett, former  
state champion, and S. A. Whitney  
will also be high contenders.

Among the popular attractions will be

winner of the California title in 1908.  
Sinsabaugh has been playing with Miss  
Sutton in the doubles at Newport. Sinsabaugh

begins this afternoon at 2 o'clock on  
the Salt Lake Country club courts. It  
will be by far the biggest affair of its

Many famous players will participate.
